REFERENCE: JULY QUARTERLY REPORT (04/01/2014-06/30/2014)

Dear Ms. Grainger,

This statement is in response to the Commission's letter dated November 13, 2014. The Commission requested additional information regarding four items.

First, the Commission requested clarification regarding contributions that appear to exceed federal limits. The Committee has two contributors named Joseph A. Bellavance (father and son). They are both within their federal limits. The July Quarterly Report has been amended to clarify one of their addresses.

With respect to LLCs, our Committee has safeguards in place to ensure that contributions are made by eligible donors only. The proper attributions will be reflected on an Amended report. Corrective action will be taken for the contributions from Fairfield's and The Palmier Foundation. They will either be refunded or listed as debt on the 2014 Year End Report.

Finally, the Commission requested clarification regarding the employers and occupations of several donors. Additional clarification, if available, has been provided on an Amended report. Additionally, the Committee has previously outlined its best efforts procedure in the Form 99 filed on February 28, 2014.

This should answer the Commission's inquiry. Please feel free to contact us if you have any further questions.

Sincerely,  
Bradley T. Crate  
Treasurer
